

## Information DropBox (XOB x.1)

### TECHNICAL SPECIFICATION of XOB v1

|   |   |
|---|---|
| <b>Standards</b>                                    | IEEE 802.11b, IEEE 802.11g, IEEE 802.11n, Bluetooth 4.1, BLE  |
| <b>Interfaces</b>                                   | 1*10/100 Ethernet port, 4*USB 2.0, HDMI, 3.5mm analogue audio-video jack, Camera Serial Interface (CSI), Display Serial Interface (DSI), 40-pin header GPIO |
| <b>Frequency Range</b>                              | 2.4 GHz   |
| <b>Wireless Data Rates</b>                          | Up to 150Mbps   |
| <b>Antenna Type</b>                                 | Soldered directly to the board  |
| <b>Connection</b>                                   | DHCP  |
| <b>Security</b>                                     | WPA/WPA2, WPA-PSK/WPA2-PSK  |
| <b>CPU</b>  | 4x ARM Cortex-A53, 1.2GHz   |
| <b>Storage</b>                                      | microSD, via USB  |
| <b>Advanced Features</b>                            | Background Data Syncing, User Dashboard   |
| <b>LEDs</b>   | External: 3*Power, Internal: 1*CPU, 1*Storage   |
| <b>Operating Temperature &amp; Humidity, Weight</b> | 0-50 Degree Centigrade, 20-95% Humidity, Weight: 4 KG   |
